

Every day well lived

Drovers House

A care home for adults, with six households providing separate care for people with dementia and those with residential care needs.

Use the shop

You can visit the shop to choose something you'd like. There are bags to help you take items back to your household.

Go to the ca-

Choose a drink from the range of hot and cold drinks available. There are also biscuits and cakes.

Home design

Drovers House is a care home. We've designed the home to give you the opportunity to contribute to your new home as little, or as much, as you want to.

Meet people

Get involved in the home's community. *The Gift of Years – Rugby* visit the home every week providing opportunities for worship, singing, crafts and a natter.

Get out and about

Make use of our regular minibus outings to local attractions and places of interest.

fé

Get involved with cooking

You can do as little or as much as you like in your household's kitchen.

Household design

There are 6 households at Drovers House, each of which is designed for 10 and 13 people.

Every household has its own kitchen, lounge and dining area, supported by a team of staff to live a familiar life.

There are separate households for people living with dementia with residential care needs.

Personalise your room

It has its own ensuite shower and toilet, Wi-Fi, TV and telephone points, and a large window.

Create your own day

Decide what you'd like to do each day – there's a garden and upstairs balconies, the potting shed, a bike, animals and more.

What's important to you?

At WCS Care we believe every day should be well lived.

This will mean something different to every person we care for and it's our job to understand what this looks like for you and help you to achieve it.

Caring and friendly

We know we're only as good as our last act of care.

It's our job to support our care workers so you experience smiling, friendly and kind staff who know how to support you, can spend time with you and go the extra mile to make your day.

Accredited employer

We're an accredited *Investors in People* employer, recognising our commitment to invest in, train and develop our staff by understanding that we all contribute and succeed in different ways.

Technology to support you

We use a range of technology to support your health and wellbeing, including circadian rhythm lighting, night-time acoustic listening and electronic care planning.

We also have a relatives' gateway so loved ones can stay in touch from anywhere with an internet connection.

We understand the decision to give up your home and move into a care home is very hard.
